Glasswash Extra

For use in automatic glasswash machines

Concentrated low foaming detergent. Removes general soiling from drinking glasses and ensures they are thoroughly clean and bright.

Supplied in a natural see-through container to easily check volume.

Suitable for use in all glasswash machines.

- Highly recommended for use in all water conditions, especially hard water areas.
- The inclusion of specialised ingredients in the formulation help to prevent the build-up of limescale on glassware.
- Does not affect beer head retention.
- Very economical in use.
- For best results use in conjunction with Evans Rinse Aid-Multi.

GLASSWASH MACHINE:
Dispense into automatic glasswashing machine through an electronic dispenser at a ratio of 1 - 3 ml per litre depending on soiling and water hardness, or in accordance with the machine manufacturer's instructions.

NOT TO BE USED FOR HAND GLASSWASHING.

5 L
