

Rinse Aid - Multi

For use in automatic dish and glasswash machines

Formulated using a concentrated low foaming surfactant to promote the rapid drying of drinking glasses, crockery and kitchen utensils.

Supplied in a natural see-through container to easily check volume.

Will not affect beer head retention.

- Eliminates water spotting to provide sparkling streak free results.
- Effective in all water conditions.
- Suitable for use in all types of automatic dish and glass washing machines.
- Also recommended for use in combi ovens.

DISH and GLASSWASHING MACHINES:

Dispense into automatic dish or glasswash machine through an electronic dispenser at a ratio of 1 - 2 ml per litre, or in accordance with the machine manufacturer's instructions.
